

14th International Grouse Symposium
Logan UT, USA
September 24-28, 2018

Introductory Workshop Integrated Population Models (IPM)

Place: Utah State University, Room EBB 109

Date: September 24 (Monday), 2018

Time: 9:00 AM – 4:00 PM

7:45 – Breakfast Provided – Eccles Conference Center 201/203

9:00 – Meet and greet – EBB 109

9:15 – Workshop objectives

9:30 – Presentation: What is an Integrated Population Model?

9:40 – Presentation: Introduction to Bayesian Inference

10:00 – Presentation: Mechanics of IPMs: types of data, models, and inference

10:50 – Break

11:00 – Presentation: Applying IPMs to conservation and management questions

12:00 – Lunch

1:00 – Application: hands-on experience of developing and running IPMs
(examples using RJAGS)

4:00 – Dismissed
